The RE 313 General Information Page is displayed in full on the course's public page and again inside the registration flow, before any payment step and before an enrollment is accepted. The student must scroll it and affirmatively acknowledge it; the acknowledgment - student identity, page version and timestamp - is recorded with the enrollment and is reproducible on request. A student cannot reach a payment screen without that record existing.

22. EXPLAIN HOW AND WHEN STUDENTS WILL BE INFORMED OF THE AVAILABILITY OF THE COURSE AND INSTRUCTOR EVALUATION FORM LOCATED ON THE DRE WEB SITE.

Students are told three times, each with a direct link to RE 318A on the DRE website at www.dre.ca.gov: on the enrollment confirmation issued at registration; persistently in the student portal for as long as the course is open to them; and on the completion screen shown immediately after the final examination result.

23A. IF THIS IS A REAL ESTATE PRACTICE COURSE, DOES IT CONTAIN AN INTERACTIVE PARTICIPATORY COMPONENT?
(*All real estate practice courses are required to have an interactive participatory component*)

☒ YES ☐ NO B. IF YES, PLEASE DETAIL THE INTERACTIVE PARTICIPATORY COMPONENT

Assignment 14 is a dedicated implicit bias and fair housing participatory practicum. The student writes a response from the consumer's position and a response from the real estate professional's position; each is stored as written with its date, and the licensee-role response is revised after structured feedback. Neither role is skippable: the assignment cannot be recorded complete with either response missing, and final examination eligibility reports the interactive requirement from the submissions themselves. See continuation sheet 07-sb1495-traceability.

SCHOOL CERTIFICATION

I consent to inspection or monitoring by authorized representatives of the Department of Real Estate (DRE) as outlined below.

Inspection/Monitoring Procedures

The DRE has instituted the following procedures to assist in evaluating the statutory/pre-license program:

1. Direct Mail Evaluation: Selected sponsors/schools may be asked to provide lists of individuals who completed a recent course offering(s). The Education section may send evaluation questionnaires concerning the quality and perception of the course offering.
2. Drop-In Monitoring: Authorized course monitors may attend course offerings on a drop-in basis. That is, they will not register and no fees or reimbursements will be involved.
3. Information Reports: Sponsors/schools may be asked to submit course completion (i.e. completion certificates, attendance forms, exam grades, final exams, proof of payment, etc.) information for verification purposes.
4. Investigative and/or Conformance Monitoring: Authorized participants, may on occasion, attend course offerings as a regular attendee or enroll in correspondence courses for the purpose of determining if the course offerings are being presented under statute, regulation and requirements as approved.

If requested, sponsors/schools will be required to complete an annual report on course offerings conducted.

The undersigned sponsor/school acknowledges receipt and understanding of the procedures outlined above which relate to all statutory/pre-license course offerings approved under this application.

I agree to submit any material changes* to this course, if approved, least 90 days prior to the proposed use. Approval by DRE is required prior to the presentation of this course offering and the nature of any material changes may require a new application and fee upon review. I agree to retain complete records for all participants who enroll in this course.

**** Per Article 24 - 3002(b) - Material change is defined as "a change in curriculum, course length, workbooks, texts or syllabi, but not including changes designed exclusively to reflect changes in statutes, regulations, or decisional law."***

I understand that the simultaneous instruction of two or more students in one of the courses enumerated in Section 10153.2, 10153.4 or 10153.5 of the Business and Professions (B&P) Code constitutes a private vocational school as that term is used in Section 10153.2 of the B&P Code. This activity may also require the applicants to obtain approval from the Bureau for Private Postsecondary Education.

I certify under penalty of perjury that I have read and understand the information and requirements contained in this application and attached information sheets, and that all statements are true and correct.

PRIVACY INFORMATION:

Section 1798.17 of the Civil Code requires this notice be provided when collecting personal or confidential information from individuals. Each individual has the right to review personal information maintained by this Agency, unless access is exempted by law.

Department of Real Estate — Assistant Commissioner
651 Bannon Street — Licensing
Sacramento, CA 95811 — Telephone: 877-373-4542

General powers of the Commissioner, Sections 10050, 10071, and 10075 of the Business and Professions Code authorizes the maintenance of this information.

Business and Professions Code Sections 30, 31(e) and 494.5(d) require each real estate licensee to initially provide to the Department of Real Estate his or her social security number which will be furnished to the Franchise Tax Board. The Franchise Tax Board will use your number to establish identification exclusively for tax purposes. These code sections also require that each application for a new license or renewal provides notification on the application, that the Department of Tax and Fee Administration and the Franchise Tax Board will share taxpayer information with the Department of Real Estate, and that failure to pay tax obligations may result in a suspension or denial of a license. The Department of Tax and Fee Administration and Franchise Tax Board require the Department to collect social security numbers and federal taxpayer identification numbers for the purposes of matching the names of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Your social security numbers and federal taxpayer identification number shall not be deemed public records and shall not be open to the public for inspection.

The Real Estate Law and the Regulations of the Commissioner require applicants to provide the Department with specific information. If all or any part of the required information is not provided, processing may be delayed. In addition, the Commissioner may suspend or revoke a license, or in the case of a license applicant, may deny the issuance for misstatements of facts (including a failure to disclose a material fact) in an application for a license.

The information requested in this form is primarily used to furnish license status information to the Department's Enforcement Division, and to answer inquiries and give information to the public on license status, mailing and business addresses and actions taken to deny, revoke, restrict or suspend licenses for cause.

This information may be transferred to real estate licensing agencies in other states, law enforcement agencies (City Police, Sheriff's Departments, District Attorneys, Attorney General, F.B.I.), and any other regulatory agencies (i.e., Department of Financial Protection and Innovation, Department of Insurance, Department of Consumer Affairs, California Bar Association).
